

Virtual Student Internet Usage Agreement

Prepared for Strong Classroom, LLC

Student Name: _____

Virtual Platform: _____

Purpose of Agreement

This agreement outlines responsible internet and technology use for students participating in **virtual or remote learning**, so students can understand expectations and use online tools safely, respectfully, and productively.

Student Responsibilities

As a virtual student, I agree to:

1. Use Technology for School Purposes Only

- Attend and participate in virtual classes on time.
- Use school-approved platforms (e.g., Google Classroom, Zoom, Teams) for learning only.

2. Practice Digital Citizenship

- Be respectful and kind in all online communication.
- Never use rude, inappropriate, or bullying language.

3. Protect My Privacy and Others'

- Never share personal information (address, phone, passwords).
- Never record or share screenshots of classmates or teachers without permission.

4. Follow Classroom/School Rules Online

- Use my real name when logging into class.
- Stay on task during lessons and avoid distractions (e.g., games, unrelated websites).
- Not plagiarize or cheat on assignments.

5. Report Problems

- Tell a Learning Coach or adult if I see or experience something unsafe or inappropriate online.

Student Signature: _____

Date: _____

Parent/Guardian Agreement

As the parent/guardian, I will:

- Ensure my child has a safe and quiet space for learning.
- Monitor their online activity when possible.
- Support the Classroom's policies and encourage responsible internet use.

☐ I understand the expectations above and will support my child in following them.
